WHEREAS, an officer of the Association has attested to said Residential Unit Owner approval by execution of Exhibit B attached hereto and made a part hereof; and

NOW, THEREFORE, the Article 9, Section 9.14 of the Declaration is hereby amended as follows (additions in text are indicated by double underline and deletions in text are indicated by ~~strike-out~~):

9.14 Except as otherwise provided herein, no Residential Units may be leased. All Residential Unit Owners who own a Residential Unit as of the effective date of this Amendment ~~Each Residential Unit Owner shall have the right to lease such Residential Unit Owner's Residential Unit. No Residential Unit Owner shall lease or rent his or her Residential Unit for a term of less than one (1) year. Every lease of a Residential Unit shall be in writing and shall be made expressly subject to the requirements, rights, covenants, conditions, restrictions and easements of this Declaration and of the By-Laws. Until such time as title to any Residential Unit is conveyed to a bona fide purchaser, Declarant reserves the right to lease such Residential Unit upon such terms and conditions as Declarant may, in its sole discretion, approve.~~

(a) A copy of all current leases must be on file with the Board no later than fourteen (14) days after the effective date of this Amendment. All tenants shall acknowledge in writing that they have received copies of the Rules and Regulations of the Association and a copy of the written receipt shall be submitted to the Board. All tenants shall be bound by and subject to all of the obligations under this Declaration, the By-Laws, and Rules and Regulations, and the failure of the lessee to comply therewith shall constitute a default under the lease which shall be enforceable by the Board or the Association, and the lease shall be deemed to expressly so provide. The Residential Unit Owner making such lease shall not be relieved thereby from any of said obligations.

(b) To meet special situations and to avoid undue hardship or practical difficulties, the Board may, but is not required to, grant permission to an Residential Unit Owner to lease his Residential Unit to a specified lessee for a period of not more than one (1) year on such reasonable terms as the Board may establish. Such permission may be granted by the Board only upon written application by the Residential Unit Owner to the Board giving the reasons the Residential Unit Owner wishes to be considered for a hardship. The Board shall respond to each application in writing within thirty (30) days of the submission thereof. The Board has sole and complete discretion to approve or disapprove any Residential Unit Owner's application for a lease. The Board's decision shall be final and binding. Any lease approved by the Board shall be in writing and subject to the Declaration, By-Laws and rules and regulations governing the Association. Upon expiration of any lease approved under this paragraph, the Residential Unit Owner may apply for an extension of such lease, pursuant to the terms of this paragraph.

(c) Occupancy of a Residential Unit by a blood relative(s) of a Residential Unit Owner without the Residential Unit Owner being a resident shall not constitute a lease as defined under this Amendment, even if a written memorandum or agreement has been executed between the parties. A blood relative is defined as a parent, child (natural or adopted), grandparent, grandchild, sibling, or spouse of a Residential Unit Owner.

(d) Any Residential Unit being leased out in violation of this Amendment or any Residential Unit Owner found to be in violation of the Rules and Regulations adopted by the Board may be subject to a flat or daily fine to be determined by the Board upon notice and an opportunity to be heard.

(e) In addition to the authority to levy fines against the Residential Unit Owner for violation of this Amendment or any other provision of the Declaration, By-Laws or Rules and Regulations, the Board shall have all rights and remedies, including but not limited to the right to maintain an action for possession against the Residential Unit Owner and/or their tenant, under 735 ILCS 5/9-111, an action for injunctive and other equitable relief, or an action at law for damages.

(f) Any action brought on behalf of the Association and/or the Board to enforce this Amendment shall subject the Residential Unit Owner to the payment of all costs and attorneys' fees at the time they are incurred by the Association.

(g) All unpaid charges as a result of the foregoing shall be deemed to be a lien against the Residential Unit and collectible as any other unpaid regular or special assessment, including late fees and interest on the unpaid balance.

(h) The Board of the Association shall have the right to lease any Association owned Residential Units, or any Residential Unit which the Association has possession of pursuant to any court order, and said Residential Units shall not be subject to this Amendment.

(i) Contract Sales. Although the Board discourages Residential Unit Owner financing of sales via contract/installment sales, in times of tight mortgage money it is sometimes advisable since it is the only viable alternative for some potential buyers in order to accommodate a Seller and a willing Buyer who is unable to obtain conventional financing.

The Board is charged with the responsibility of administering and maintaining the property and the Board must receive adequate assurances from any Residential Unit Owner who is selling their Residential Unit via a contract/installment sale that such sale is in fact a good-faith transaction and not being used as a device to cover an improper or unauthorized lease in violation of this Amendment.

In order for the Board to approve a contract sale, the following criteria must be complied with to the Board's satisfaction prior to occupancy:

(i) A certified copy or duplicate copy of the ARTICLES OF AGREEMENT must be recorded in the Office of the Recorder of Deeds in the County in which the property is located. A recorded copy and Recorder's receipt must be submitted to the Board (if a short form is recorded, a recorded copy of the short form plus a certified copy or duplicate original of the full text must be provided).

(ii) Seller must provide Buyer with title insurance from a national insured title company for Articles of Agreement.

(iii) Seller must provide a conventional form closing statement signed by Buyer and Seller and/or their attorneys.

(iv) Seller must provide Buyer with an amortization schedule showing the table of payments.

(v) Seller must verify that they have executed a Deed to Buyer and that the original is being held in escrow, with a true and accurate copy provided to the Board at the time of closing.

(vi) A statement shall be submitted indicating whether Seller or Buyer retains the right to vote, pay real estate taxes, assessments and insurance.

(vii) In the event it is proven that this transaction is a sham intended to avoid any policies restricting or limiting leasing, or for any other reason, all occupants shall be obligated to vacate the premises upon five (5) days' written notice. In the event legal action is necessary to terminate occupants' and Residential Unit Owners' right of possession, the Residential Unit Owner shall be liable for all of the Association's attorneys' fees and costs.

(viii) In addition to the foregoing, the Board reserves the right to levy a lump-sum or daily fine for the violation of this policy including, but not limited to, a daily fine relating back to the date of first notification to the Board of said transaction. Fines shall not exceed \$500 per day or \$5000 in the aggregate.

This Amendment shall be effective upon recordation in the Office of the Recorder of Deeds of Cook County, Illinois.

Except to the extent expressly set forth hereinabove, the remaining provisions of the Declaration shall continue in effect without change.
